

## It Won't Be Long

I'm out walking in the summer time  
The sunshine is hanging on our faces like the rain  
Out walking in the summer time  
The clouds are waving now  
I know that I can never be the same

And I feel so good; I know who you are  
I feel so good  
It won't be long

I'm out walking in the summer time  
And Tizer's happy, 'cause he knows that he can smell things once again  
Out walking in the summer time  
The moon is changing now  
This planet's moving  
I can feel the rain

Did you see us grab the air?  
It wants to free us  
We'll be here
