

You Don't Scare Me (You're Part Of Me)

You don't scare me, you're part of me
And there's no reason why
That I should fear your company
I'm not afraid to die

With these eyes, I have seen many, many things
I've seen cruel, I've seen kind
And that's why I won't mind
When it's time to let go of these strings
That tie me to this life

You don't scare me, you're part of me
And there's no reason why
That I should fear your company
I'm not afraid to die

I have laughed, I have loved
I've had secrets and thoughts
That I've kept to myself all this time
They're not right, they're not wrong
They're just things that I've done
I've been blessed and cursed
But why?
